Acompañando al niño desde los 3 a los 12 años.

Para iniciar la preparación del niño, mejorando su desarrollo intelectual y motriz, recomendamos completar la serie de cuadernillos de preescolar.

El ciclo formativo continúa con el número 0 de preescritura, donde empezará a familiarizarse con los puntos, dibujos y grecas para abordar con soltura las vocales, los números y las mayúsculas que encontrará en los cuadernillos 01, 02...

Con Rubio podrá completar el itinerario de aprendizaje con la serie de caligrafía para escribir con claridad y destreza.

Una vez terminado el cuadernillo, colabora con el medio ambiente y recicla.
